"Ring and Results."

Mr. Creighton's Editorial upon which Charges were Based by Methodist Conference.

Yorkville New Era.

Mr. Creighton is the editor of the Christian Appeal, a weekly religious paper published at Greenwood, South Carolina.

In his paper Mr. Creighton wrote and published certain articles criticising the methods employed by the government of the church in this State. One of these articles, and the one that caused all the trouble, appeared under the heading "Ring and Results." The editorial said:

"For many years the existence of a ring in the South Carolina conference has been boldly asserted and the charge is believed by many to be true."

The article then discusses what is meant by a ring and states that such a charge could be proved either by direct testimony or circumstantial evidence. The editorial continues as follows:

"We shall consider in their order circumstances that show conclusively concert of action for definite purposes, if not existence of a combination in the conference."

"One set of men organize the conference, select the members of all committees and so distribute themselves in the organization that they are able to keep themselves fully informed of every thing that takes place, inspire action, shape movements, control measures, and bring to bear active influence to promote or defeat any and every action as they may approve or disapprove. The organization of conference represents them and they are represented in their organization. They continue in office and when one of their number for any reason is forced to retire they select his successor. They exercise the power of a self-perpetuating body and that in direct violation of the law of the church to which they belong."

"They shelve men who for any reason do not sympathize with and approve their methods and promote those who stand by

The Badge of Honesty

Is on every wrapper of Doctor Pierce's Golden Medical Discovery because a full list of the ingredients composing it is printed there in plain English. Forty years of experience has proven its superior worth as a blood purifier and invigorating tonic for the cure of stomach disorders and all liver ills. It builds up the run-down system as no other tonic can in which alcohol is used. The active medicinal principles of native roots such as Golden Seal and Queen's root, Stone and Mandrake root, Bloodroot and Black Cherry bark are extracted and preserved by the use of chemically pure, triple-refined glycerine. Send to Dr. R. V. Pierce at Buffalo, N. Y., for free booklet which quotes extracts from well-recognized medical authorities such as Drs. Bartholow, King, Scudder, Coe, Ellingwood and a host of others, showing that these roots can be depended upon for their curative action in all weak states of the stomach, accompanied by indigestion or dyspepsia as well as in all bilious or liver complaints and in all "wasting diseases" where there is loss of flesh and gradual running down of the strength and system.

The "Golden Medical Discovery" makes rich, pure blood and so invigorates and regulates the stomach, liver and bowels, and, through them, the whole system. Thus all skin affections, blotches, pimples and eruptions as well as scrofulous swellings and old open running sores or ulcers are cured and healed. In treating old running sores, or ulcers, it is well to insure their healing by apply to them Dr. Pierce's All-Healing Salve. If your druggist don't happen to have this Salve in stock, send fifty-four cents in postage stamps to Dr. R. V. Pierce, Invalids' Hotel and Surgical Institute, Buffalo, N. Y., and a large box of the "All-Healing Salve" will reach you by return post.

You can't afford to accept a secret nostrum as a substitute for this non-alcoholic, medicine of known composition, not even though the urgent dealer may thereby make a little bigger profit.

Dr. Pierce's Pleasant Pellets regulate and invigorate stomach, liver and bowels. Sugar-coated, tiny granules, easy to take as candy.

Wanted!

We want to buy within the next three weeks all the cows, sheep, goats, hogs, chickens, geese, turkeys, ducks, guineas, eggs, butter, etc., for sale in Lancaster county, and will pay the highest cash price for same. Our business has increased to such an extent that we find it difficult to keep enough meat to supply our trade, and for this reason we are paying a little better price than other folks for cattle, poultry, etc. So if you have anything in this line for sale, bring it along and bring it quick. We also want to buy corn, peas, green and dry hides. Highest cash price paid for all.

We wish to say to our trade that we are prepared to deliver anything you want in the meat line. Handling so many beeves a day enables you to get your choice cut. We also handle fish and oysters.

They agree upon a method of forcing up their salaries in violation of the law of the church."

At the top of the editorial column of Mr. Creighton's paper is this sentiment: "Our platform: Closer fellowship between the pastorate and the presiding elders. Deeper spiritual life on the part of the church. Lay representation in the Bishop's cabinet."
